

Land Acknowledgement

The UC San Diego community holds great respect for the land and the original people of the area where our campus is located. The university is built on the unceded territory of the Kumeyaay Nation. Today, the Kumeyaay people continue to maintain their political sovereignty and cultural traditions as vital members of the San Diego community. We acknowledge their tremendous contributions to our region and thank them for their stewardship.

**The Intertribal Resource Center is working with Kumeyaay community members and the campus community to create an official statement for UC San Diego. The above statement is a temporary draft currently used by the Intertribal Resource Center.*
